

# #3: CRAZY QUESADILLA and the Triple-decker-TACOzoid

At his secret factory, Evil Burrito used the CQ Secret Spice Blend to make the Taco Bandits powerful enough to defeat Crazy Quesadilla.

He turned three Taco Bandits them into a big, scary...

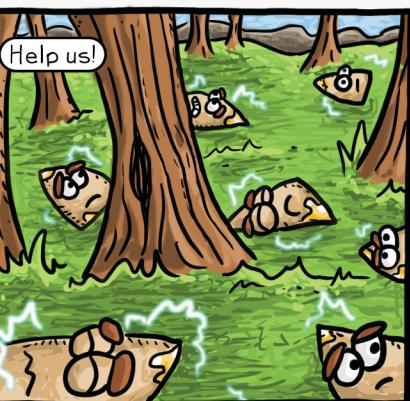

## TRIPLE-DECKER-TACOZOID

One day, while CQ and the gang were taking a nice hike, they were suddenly attacked by Evil Burrito's TACOzoid!

They were no match for the TACOzoid. It quickly defeated the entire Nacho Squad.

CQ and Dr. Cook scooped up the squad and retreated back to the food lab.

Dr. Cook knew they needed some more team members, so he threw some extra special ingredients together.

With some love, care, and a brand new spice blend, Buffalo Chick Quesadilla was born!

For CQ, it was love at first sight.

The next time the CQ crew was ambushed, they were ready! Buffalo Chick used her fire powers and the TACOzoid didn't stand a chance.

TZ was beat and peace was restored!
